AMENDMENT NO. 2 TO ORDER FORM NA-OF-2024-114

Nimbus Analytics GmbH and Orchid Retail Holdings AG

This Amendment No. 2 is entered into as of 1 September 2025 between Nimbus Analytics GmbH ("Nimbus") and Orchid Retail Holdings AG ("Customer") and amends Order Form NA-OF-2024-114 dated 1 July 2024, as previously amended by Amendment No. 1 dated 15 January 2025 (the "Original Order Form"). Except as expressly amended here, the Original Order Form continues in full force and effect.

1. Additional Modules

With effect from 1 October 2025, Nimbus will make available to Customer the Demand Forecasting Module and the Supplier Scorecard Module (together, the "Additional Modules") for the remainder of the Subscription Term under the Original Order Form.

The Additional Modules are generally available products that Nimbus sells separately, and are delivered through the same hosted Platform to which Customer already subscribes. No implementation services are required.

2. Additional Fees

The fee for the Additional Modules for the period from 1 October 2025 to 30 November 2026 (fourteen months) is EUR 48,000 in aggregate.

Nimbus's published rate card price for the two Additional Modules over the same period is EUR 78,400. The parties agree that the fee stated above reflects preferential pricing granted in recognition of Customer's existing commitment.

The additional fee is invoiced in two instalments of EUR 24,000 on 1 October 2025 and 1 April 2026, payable within thirty (30) days of the invoice date.

3. No Other Changes

The Subscription Term, termination provisions and all other commercial terms of the Original Order Form are unchanged. The end date of the Subscription Term remains 30 November 2026.

IN WITNESS WHEREOF, the parties have executed this document by their duly authorised representatives.
