STATEMENT OF WORK SOW-2025-041

Data Platform Migration -- Nimbus Analytics, Inc. and Tessellate Media LLC

This Statement of Work is entered into as of August 4, 2025 under the Professional Services Agreement between Nimbus Analytics, Inc. ("Nimbus") and Tessellate Media LLC ("Customer") dated February 2, 2024.

1. Scope of Work

Nimbus will migrate Customer's advertising performance data from its existing on-premise warehouse to the Nimbus Platform, comprising discovery and mapping, construction of the extract-transform-load pipelines, two parallel-run cycles, and cutover.

The work is a single integrated engagement delivered by one Nimbus team. The individual phases are not separately saleable and Customer receives no usable output until cutover is complete.

2. Fees

The fixed fee for the work described in Section 1 is USD 240,000, invoiced monthly in arrears in proportion to the percentage of the work completed, as agreed between the parties' project managers at each month end. Invoices are payable within thirty (30) days.

3. Delivery Incentive

If cutover is achieved on or before January 31, 2026, Customer shall pay Nimbus an additional fee of USD 30,000.

If cutover is achieved after February 28, 2026 for reasons attributable to Nimbus, the fixed fee shall be reduced by USD 2,500 for each complete week of delay, up to a maximum reduction of USD 25,000.

Delay attributable to Customer's failure to provide access to source systems, or to the unavailability of Customer personnel, does not count towards the reduction in this Section.

4. Term

This Statement of Work commences on September 1, 2025 and continues until completion of the work, expected to be no later than February 28, 2026.

5. Acceptance

Cutover is achieved when Customer's production reporting runs entirely on the Nimbus Platform for five (5) consecutive business days without a severity-one defect. Customer will confirm acceptance in writing within five (5) business days of that condition being met.

IN WITNESS WHEREOF, the parties have executed this document by their duly authorised representatives.
