Nimbus Analytics GmbH and Wexford Instruments GmbH

This Amendment No. 1 is entered into as of 3 November 2025 between Nimbus Analytics GmbH ("Nimbus") and Wexford Instruments GmbH ("Customer") and amends Order Form NA-OF-2023-207 dated 1 January 2024 (the "Original Order Form"), under which Customer subscribes to the Nimbus Quality Analytics Platform for a Subscription Term ending 31 December 2026 at an annual fee of EUR 120,000. Except as expressly amended here, the Original Order Form continues in full force and effect.

1. Extension of the Subscription Term

The Subscription Term is extended by twenty-four (24) months and now ends on 31 December 2028.

2. Revised Fees

With effect from 1 January 2026, the annual subscription fee is reduced from EUR 120,000 to EUR 102,000 for each remaining contract year, in consideration of Customer's commitment to the extended term.

The total subscription fees payable for the period from 1 January 2026 to 31 December 2028 (thirty-six months) are therefore EUR 306,000, invoiced in three annual instalments of EUR 102,000 on 1 January of each year, each payable within thirty (30) days of the invoice date.

3. No Other Changes

The Platform, the number of licensed users and all other terms of the Original Order Form are unchanged.
